Julia S. Kim Elected Partner at Cohen Pontani Lieberman & Pavane LLP

(NEW YORK, NY) – Cohen Pontani Lieberman & Pavane LLP (CPLP), a preeminent specialist in intellectual property law, is pleased to announce that Julia S. Kim has been named Partner.

Kim is known for her expertise in intellectual property litigation, and her special focus on patents. A number of her cases have concerned the introduction of generic pharmaceuticals into the U.S. marketplace under the Hatch-Waxman Act, including omeprazole, pantoprazole, bupropion hydrochloride ER, terazosin hydrochloride, and others.

Additionally, she now renders opinions in various technologies on issues of patentability, infringement and validity, and has worked with corporate counsel on initial public offerings.

"Julia's ability to approach complex litigations from both a legal and a scientific perspective has been of enormous benefit to this firm's U.S. and international clients," says Managing Partner Martin B. Pavane. "We are very pleased to recognize her substantial contribution to CPLP's continued success and high standing in the global intellectual property arena."

"I am pleased to be a member of this exceptionally talented team," Kim says. "The firm's IP focus – at the local and global level – ensures that each client has access to specialized expertise in their industries."

Kim received her B.S. in Industrial Engineering from Lehigh University and her J.D. from Fordham University School of Law. She is admitted to practice in New York and before the U.S. Court of Appeals for the Federal Circuit, the U.S. District Courts for the Southern, Eastern, and Western Districts of New York and the Western District of Wisconsin, as well as the U.S. Patent and Trademark Office.
